Maid TO ORDER

The maid had found a peephole in the wall, and when her two lesbian employers took the pretty plumber into their bedroom, the maid went straight to the hole to watch.

Before I get into this, I'd like to clarify something: Feather is my real first name. I have three siblings with exotic names as well. Our parents believed in giving us unusual names.

I'm a healthy, happy and six foot brunette woman. Though I'm 30 years old, I look 20. I have a 38D-26-38 body. And it is a very healthy, happy body.

I'm a maid for Casey and Regina. They live in the country. They, too, are stacked, gorgeous ladies, though they're both in their thirties. Casey stands about 5'8", and long, straight blonde hair that frames her rather beautiful face. She has a 38-24-35 shape, and her tits are gorgeous and real. Regina is about 5'7". She has brown hair that hangs to her upper back, and like Casey she is stacked. I'd say she's 38-25-36.

Neither of them cares for small-breasted girls. I've watched them love each other and other girls. Never have I seen them with a girl with less than a 36D cup. Never! They love big tits. I assume that's why they hired me.

Recently their septic tank was acting up, so they called a plumber. He came out with a crew, one of whom was a girl. And my two employers were smitten with lust. Can't say as I

blame them. She had flaming red hair to the middle of her back, green eyes, sensuous pink lips, and so much tit she couldn't stop the jiggling when she moved.

The crew had to dig a little to get to the tank. They started with a backhoe. The redheaded doll, Jeannie, was standing at the edge of the hole when one of the forks of the hoe punctured the tank. She got sprayed with a large spurt of filth.

Casey and Regina were watching. They had made lemonade for the crew, hoping for a chance to talk to Jeannie.

When she got sprayed, they rushed to her side and steered her inside. I followed. Being the maid, I figured I would have something to do, like the laundry.

To my surprise, they both shooed me away. As they stripped Jeannie naked and took her into the bathroom to shower, Casey said she would do the laundry.

I went to the study, which is adjacent to their bedroom. Dusting one day, I had found a peephole. Now, I'm married and always considered myself straight, but the heat of these two girls has gotten me wanting pussy badly. Many has been the time I have watched them freak and my pussy has ached

to feel the touch of another girl.

My husband knows it. He doesn't mind. He figures when I do get some pussy, it will just mean more for him. And he's right. But I digress. I had my chair pulled up. I already knew I would be furiously frigging my clit, so I stripped my pantyhose off. When I heard muffled voices from the next room, I put my eye to the hole.

Regina was toweling off Jeannie. She stood there, legs parted, and let Regina pat her thighs dry. As she moved up, she wasted no time. While she patted her butt dry, she kissed Jeannie's meaty pussy. Jeannie gasped. She must have known it was going to happen. Why else would she have been taken naked to their bedroom? Her hands went to Regina's hair and pulled her closer. My own hand found its way between my spread thighs and to my swelling clit.

Regina put her hands on Jeannie's hips and pulled her down, seating her on the bed. In a New York minute, Regina was naked and lying between Jeannie's parted thighs. Her face disappeared between those firm, shapely legs, and she eagerly started licking at that exquisite pussy. The pubes on Jeannie's mons were sparse but quite red. The flesh of her pussy was a hot pink, it was so enflamed with lust.

My clit was throbbing as I watched Regina's long, slender, pink tongue dip between Jeannie's pussy-lips. With each lap of her tongue, Jeannie gasped and bucked her hips up, wanting more of Regina's hungry oral organ.

I felt my own breath coming in short, ragged gasps as I neared an orgasm of my own. Jeannie lifted her right breast and was licking and sucking at the swollen nipple as Regina shot her tongue into the depths of her hot, quivering pussy. Her head bobbed slightly with each stroke of her tongue. Jeannie's pussy-lips gaped open by this time. But Regina's tongue kept making those sexy, meaty lips spread with each entry into her folds.

I bit my tongue as a hot orgasm shot into my loins. My clit spasmed, and the sudden jolt of pleasure jerked my eye away from the peephole. Gritting my teeth, I groaned as I felt the release of frustrations flood out of my pussy.

When I caught my breath I took another peek. I don't normally get off that quickly. But for some reason the eager and willing Jeannie made it all that much better for me.

She was alone, though. I learned later Regina had gone to cook her something to eat. Again, this would normally be my job. But when they entertain, they go all out to cater to whoever the girl is, which is fine by me. It means I get paid to masturbate instead of work. Who am I to argue with that?

Jeannie's hand went to her pussy. She slipped a couple of fingers into her sopping crease and pistoned them in and out slowly for a minute or so. As she pulled them out and stuck them in her mouth, I heard a second voice.

Within seconds a naked Casey appeared. Jeannie smiled up at her. Casey wasted no time and lay between Jeannie's thighs. This time Jeannie wanted some herself. As Casey started to nuzzle Jeannie's clit, Jeannie stopped. She said something and Casey repositioned herself so they were

ready to 69.

And they went at each other like they were the last two people on the planet! I couldn't see Jeannie licking Casey's pussy, but that didn't matter that much. I had seen Casey licked, kissed, nibbled, sucked, and fucked aplenty. I know full well what her pussy looks like in the throes of ecstasy. But I did see Casey lower her haunches so Jeannie could have an easier time of it.

As Jeannie buried her face in Casey's well-trimmed muff, Casey stabbed her tongue against Jeannie's clit. Like a dart, she snaked that delightful tongue in and out of her mouth and flicked the tip of it against Jeannie's swollen pink clit.

One thing I do love to see is a big-titted girl's breasts dangling free. Casey's nipples were squashed against Jeannie's

abdomen. But they moved as she moved, caressing Jeannie's belly as she rocked with the movement of her head.

While she feverishly licked Jeannie's quivering clit, Casey propped herself up on her right elbow. This allowed her tits to jiggle a little more freely. I slipped two fingers into my soaked pussy and started to piston them in and out as Casey brought her right hand up to Jeannie's pussy. She started with one finger, inserting it to the knuckle in her pussy as she

continued to fire that tongue against her clit.

Jeannie went through the roof. Her hips bucked violently, and she cried and moaned as her pussy reddened with the heat inside her. I felt myself ready to erupt again when I heard "Ahem!" behind me. I froze as Regina circled around me. My maid's-uniform skirt was well up on my hips. My legs were spread wide, and two fingers were buried in my pussy. She looked me up and down. With a smile she asked, "Is this what we pay you for? To peep on us and masturbate all hidden away?"

I was so embarrassed I didn't know what to say. The truth came tumbling out before I could stop myself. "Well,

yes, it is," I said, astounded at myself for saying it.

I had to cover my ass. Figuratively, that is. "When you girls get busy, there is usually nothing for me to do. I found this hole long ago and...well? I've been doing this for about a year and a half now."

A big grin spread across Regina's face. "Well, I wish you would have said something before this," she said. "You wanna taste me, or would you like me to finish you off?"

Without any hesitation I replied, "Oh god, finish me off! Pleeeeeease?"

Before she did, she removed the bathrobe she had on. Kneeling before me, she kissed my pussy, softly first. It was like a dam had burst inside me. Spasms of orgasmic pleasure started to shoot through me instantly. I had never been touched like that by a woman before. I had been watching it up close and personal for a while and was wanting it badly. Now that I was caught as a peeper and was getting it, I came repeatedly as Regina lapped at my pussy and clit for a good 20 minutes.

When I was spent, she helped me from the chair, and I sat on the floor. She sat in the chair, spread her legs wide, and offered me her pussy. I didn't hesitate. It came naturally to me, too. I figured I would just eat her as I like to be eaten. And I was ravenous. Eagerly I darted my tongue into her and stroked the hot inner pink flesh of her pussy, slowly sliding my tongue up one side and down the other.

I felt my crotch heating up yet again as I licked my first pussy. As I tried to lick up all her juices, I furiously finger-fucked my own pussy. I came again as she lifted her ass off the chair and shoved her pussy against my mouth. She moaned and gasped with short, raspy breaths as she came against my mouth and nose. Her scent was enough to make anyone horny! After that, I needed more. I'd come a few times but was still aching for satisfaction.

But they did have a guest, and Regina wanted to feed her. We dressed. Well, I pulled my skirt down and stuffed my pantyhose in my purse. She donned the robe again. She sent me downstairs and told me to look busy.

Easier said than done. My pussy was wanting more.

As Casey and Jeannie and Regina came downstairs, I thought about my husband: He would know. I had no intention of washing the pussy-juice from my face. I wanted him to smell it. After my employers fed Jeannie, she dressed. She did have a job to do, even if most of it had already been done by now by the rest of the crew. When she left, Regina said, "Feather found the little hole we made for her."

Casey brightened. "Ohhhhhh? And what do you think?" she asked me.

"I think I must be bisexual. I do have a husband, you know. And he will know about this. Don't worry, though. He's been hoping I'd get involved with you. He figures he can get some too, if I do."

"Well, he's right," Casey said matter-of-factly. "We like a good hard cock, too, once in a while."

"And we've both always wanted to feel a big black one," Regina added.

"Ummmmmmmm... He's not black," I told them. "Woody is white. But don't worry. His nickname is 'Woody' for a reason. I don't call him that for nothing."

He would be damn glad to hear this news. He picks me up from work here and sees Casey and Regina nearly every day. He gets a woody every time he lays eyes on them. And I have a feeling I'm going to love seeing his cock in another girl's pussy, too.

SUMMER & LUCY

No cock today, Lucy and Summer just want to rub and lick one redhead pussy on the other. We don't think that the term 'red hot' came from a burning coal ember, or a star designation. It's so obvious that it came from two hot redheads rubbing two hot pussies on each other to start the fire. So there!

THAT'S A DEEP DILDO FUCK

SORORITY SPICE

My friend, Jolie, had already been accepted into the most exclusive sorority on campus, and she wanted me to join so we could both be members. I really didn't care one way or the other, but I wanted Jolie to like me, so I agreed.

The initiation party took place one evening in the living room of the sorority house. I was nervous, but Jolie reassured me there would be no nasty hazings. I'd have to go through some tests to be accepted, but she said I should keep an open mind.

The living room was fairly large and had a crackling fire going. I sat down and waited with Jolie. Her thigh was pressed up against my own. I could feel the heat right through my jeans. My mouth was dry, and my heart beat faster and faster each moment.

There were about seven other women there. Suddenly a tall blonde stood up. "Well, Sage," she said, "the

I knew Jodie had set this up, and I was very excited about it.

initiation is simple. All you need to do is give another member of the sorority an orgasm. The rest of us will wait in the next room and then ask her if it was satisfactory." She then waited coolly for my response.

My face grew red with arousal. I knew Jodie had set this up, and I was very excited about it. I turned and gave Jodie a wicked smile, which she returned. "Sure," I said, barely able to keep my voice from cracking. "Sounds perfect."

In a flash, Jodie and I arranged ourselves on the pull-out couch while the rest of them slipped from the room. We sat down facing one another, and Jodie kissed me slowly. But my mouth opened, and I stuck my tongue into her mouth. She sucked on it slowly,

savoring its wetness. Suddenly our bodies ignited, and she leapt on top of me, pushing me down onto the couch.

Jodie wordlessly began disrobing me, and I did the same until we lay there naked, holding each other and panting. Her alabaster body glistened with sweat, and her tight ass and blonde triangle were damp with desire. She maneuvered me onto my side, then got into a 69 position. I immediately went down on her and wedged my head between her legs. Her wetness tasted like peach nectar. I licked her swollen clit with intense relish.

Jodie also licked mine, holding my ass-cheeks tightly. "Oh, Sage, this is so good," she wailed. "You taste great!"

Instinctively, I mashed my pussy into her face and licked her clit faster. Her pelvis rocked back and forth

against my tongue as I slipped my fingers inside her slick hole and started fucking her hard. She soon began to come right on my face. Her juices rolled onto my tongue, and I thirstily drank every drop.

“Yes, Jolie! I’m there!” I mumbled, licking her slippery clit as hard as I possibly could.

Jolie went at me harder as her orgasm built. My clit bulged in her soft mouth, and soon I began to come. In fact, we both stared to spasm and shake. Her hips jolted forward and swayed to the rhythm of my tongue wagging.

We both kept licking and shaking and coming over and over again. Our moans grew louder and our breathing ragged. We kept at it until we’d licked each other dry, then fell back onto the couch, exhausted.

Before we even had a chance to get

dressed, the sorority group charged back into the room and welcomed me to the group with immense praise. The blonde woman asked if the group could watch the next time around. I didn’t turn her down.

MUFF MUNCHERS

One Saturday afternoon I was sitting at my desk trying to get this damn studying finished so I could watch the game. The TV was blaring in the background and it was getting harder and harder to concentrate. Game time was only ten minutes away and I kept peeking over waiting for it to begin.

Suddenly, there was a knock on my door. I don’t get too many knocks on my door as most students tend to keep to themselves and their friends. So I go over and look through the peep hole and there was Edie, the blonde nursing student I had fucked last weekend. She lived in the build-

ing but up several floors.

I opened the door and said ‘hello.’ I was about to close it when Edie says “I hope you don’t mind, but I brought Rochelle over.” Rochelle walks over to the doorway and offers her hand to shake, which I do. I gently pull it, and her, into my place with Edie. They look around and sit on my sofa.

Edie was fun and loved to give head. Nonstop for hours. Rochelle seemed interesting. She had a tattoo on her left arm and probably elsewhere, I’m guessing. They both were dressed in t-shirts with band names on them – and jeans. Edie was little taller, but Rochelle had a bigger chest, and obviously not wearing a bra.

Neither were. I had seen Rochelle around campus a few times, always looking quite studious. I offered them both a drink. Edie wanted a

beer; Rochelle, wine. Fortunately, I had each and grabbed a beer for myself. I turned down the television still hoping to catch some of it.

I sat down on the chair next to the sofa and ask, "So, ladies what brings you here today. Rochelle answered simply, "We want to study and need to fuck. Not necessarily in that order. I nearly choked on my beer. Edie blushed at Rochelle's directness but laughed and said "Cock. Baby we came for your cock. I want something other than Rochelle's pussy." Rochelle laughs.

"Edie, you didn't say anything last time that you were a muff muncher. How long have you two been doing each other?"

Edie laughed and said, "Since the beginning of the semester. I had never had a girl before, but she was hot and I was horny, so, long story short, we've been at it since then. Rochelle then added, "Edie told me how nice your cock is and every

now and then, I'd like one.

Without hesitation, I dropped my beer on the coffee table, stood up and grabbed each of their hands and led them to the bedroom. I sat Rochelle on the bed and pulled her top off. Her skin was quite fair, but she had perfect boobs. A perfect C cup. Her tat stopped at her shoulder and I noticed a small fairy just above her right nipple.

Quickly I stripped off my clothes and noticed that Edie had fully stripped as well. I laid Rochelle back and pulled off her jeans. She was wearing a thong and I just pulled it aside. She was totally bald and her pussy was puffy and wet. I couldn't resist licking her pussy as Edie was kissing her and rubbing her breasts. I was fingering her pussy with two fingers and found her g-spot. She came twice – very intensely.

I positioned my cock between her legs and rubbed it on her wet pussy. I slowly pushed in and she gasped. When I got halfway in, she groaned

and with that I pushed in deeper. When I got in balls deep she was really moaning loud. Edie was behind me, rubbing my balls and Rochelle's pussy through my legs. When I felt myself cumming, I pulled out and blasted my load all over her boobs.

I laid back and rested for a bit but it didn't take long for me to get hard again. Edie got on her hands and knees and I entered her doggy style. She has such a nice ass that I couldn't resist working my finger in there as I fucked her tight pussy. "That feels so naughty, I love it."

Rochelle got on her knees next to Edie and put the tip of the vibe at Edie's puckered hole. Edie came with a scream and collapsed on the bed. We snuggled and rubbed each other. Rochelle especially liked rubbing and stroking my cock and balls, occasionally getting a closer look at it. We got up an hour later and decided that studying was not on the docket today.

As you are about to see, today's gonna be an all anal day. Why, you may ask? Because my pussy got fucked so hard the night before that it was so sore today. And I had to fuck again, so the only other logical choice was to put that thick, beautiful cock into my tight, beautiful ass. I gave it my best, so don't complain, just kick back and enjoy. I did!
